RE: 2010 Annual Recycle Report

The Louisiana Department of Environmental Quality (LDEQ) is required by the Louisiana Revised Statutes 30:2413, to submit an annual update report to the Legislature on the status of resource recovery and recycling programs in the parishes and municipalities throughout the state.

The Department has made revisions to the Annual Recycling Report for the 2010 calendar Year. Please complete and return the attached form to the Department by September 15, 2011.

Please provide the best information you have available. Your responses are used to formulate the Department's statewide waste reduction and recycling rate. This information is provided to the Legislature as well as the United States Environmental Protection Agency (USEPA) and anyone that may request this information. Your information should contain reductions attributed to your own governmental collection program and all other voluntary programs within your jurisdiction.

If you should have any questions or need assistance in reaching your recycling management goals, please contact Evita Lagard of the Waste Permits Division at (225) 219-3388. Your assistance in this matter is greatly appreciated.

Sincerely,
